The “ART” of Displaying Small Quilts

Attention to presentation can bring a small quilt to the level of “WOW!” Learn the basics for choosing the best materials and methods. Doris will demonstrate a variety of techniques to mount and mat a small quilt for framing and how to display your quilt on artist canvas. Many creative ideas for displaying small fabric art will be presented.

LARGE group lectures are 45 minute SLIDE / TRUNK show presentation. Please allow additional time for questions.

1) Creative Raw Edge Applique Landscapes & Quilt Blocks - Is it Fine Art?

Being open to new methods and materials brings the “craft” of quilting to the “art” of fiber work.

Follow this artist’s sometimes humorous journey to develop her fiber art into fine art and a full time home based business. This is a slide show filled with inspiration, information, and techniques.

Get inspired with wonderful samples from Doris’ collection of fabric landscapes; many are offered as patterns.

(2) Creative Methods to Display Your Small Art Quilts

Many quilters are creating small art quilts as wall decor for their homes and offices. While fabric medium brings challenges to presenting art; there are many ways to display small pieces of fabric art creatively. This is a slide show filled with information, techniques, and demonstrations. Doris has been custom framing since 1997 and will share her knowledge of materials and methods. Make your next small art quilt fabulous with creative display techniques!
