

## “Canyon View” Landscape Art Quilt - 3 hours

INSTRUCTOR - Doris Deutmeyer - Fabrications by Doris

### CANYON VIEW

20" X 20" Including borders

Fused Applique is an exciting and easy technique for creating landscape art quilts. Using Doris' original "Canyon View" you will learn raw edge applique, tools for success; plus how to choose your fusible and fabric. Several methods of completing your landscape on your own will be presented including a demo on how to gallery wrap your landscape quilt on artist canvas for an updated display option.
