COLOR WORKSHOPS - NO SEW

Color 101 - 3 hours / Kit \$12

Kit includes all fabric, color wheel, and handouts

In this no-sew workshop, students will learn the basics of color theory and how to use a color wheel. You will learn how value, temperature and intensity are used to create successful color harmonies. These are hands-on exercises using actual fabric swatches. Take home a handy reference.

Color 101 - 5 hours / Kit \$15

Kit includes

basic fabric, color wheel and handouts. Participants will supply some of their own fabrics and favorite nature photos.

This no-sew workshop combines short lecture segments and hands-on experiences. Once introduced to the basics of color theory; students will create their own reference charts and color schemes using classic color wheel harmonies and nature as inspiration. Students will make cut and paste quilt blocks/color harmonies. As a group we will critique why a color scheme works or doesn't; and why. Take home a handy reference.
